

Customizing the Appearance of Your Blog

Remember, you want to choose a theme for your blog that is attractive, accessible and not distracting for your students. You can always change your theme by following these steps.

Step 1: From your dashboard, go to “Appearance.” Hover over this option until a small menu appears. Choose “Themes” and click on it.

Step 2: Scroll down to see all the themes that are available to you. To see how a particular theme would look for your blog, click “Live Preview.” To choose a theme, click “Activate.” Make sure you choose a free theme!
