

**Step 5:** Click “add item” to add more questions to your form. When you are finished writing all of your questions, click on “Theme” to choose how your form will look.

**Step 6:** Look at the possible themes. Click on the one you want, and then choose “apply” in the upper left hand corner.

**Step 7:** When you are done with your theme, click “Save.” Then choose “More options” and “embed.” Copy the embed code and paste it into your post. Publish as usual.
